Coming to New Zealand for a holiday or to visit relatives? Auckland is the gateway to NZ so bring your boules (or borrow ours) and spend a couple of days enjoying our world-famous hospitality and if you wish, travel on through our two islands for stunning scenery and outdoor pursuits. There are clubs situated in beautiful places throughout the country that will give you a welcome and enjoy your company and skills.

We can recommend accommodation and places to see.

If you are coming alone or with non-playing friends then we will be able to help you into a team. We love to share the game and meet old and new friends from the great worldwide family of pétanque.

Comment from lone European player who was touring the country by camper van and joined a team here in 2011 – **“The location, catering and organisation were just perfect. I most enjoyed the ambiance. The terrains were a real challenge.”**

This tournament WILL NOT BE CANCELLED
