TOP PLAYERS TO COMPETE AT EVENT

Instead of just watching these players on French TV, why not enter a team and have the chance to learn from the best.

“We have confirmed attendance of Belgian world champion Claudy Weibel who has been crowned best in the world in both singles and triples. He will be playing with two time triples world champion David le Dantec from France. The Americans are making the trip across the pond, and are coming in force, with some of the country's top players forming fully American teams and linking up with English and French talents. Luc Saeys and Dominique Van De Woestijn having both played for Belgium are teaming up, both players have great experience of high level competition.

German coach Alex Bauer will be teaming up with European championship bronze medalist Noel Kempeneers from Holland. We also have strong English teams already signed up and are waiting to see who else of the top English players will take this opportunity to play against some of the best players to have come to England to play. Although the players listed above all have an intimidating list of achievements, they all have great experience and are great sportsmen too. This is an opportunity for new players, players looking to improve and young players to test themselves against them and learn from them.”

Monty Quaia

And don't forget that not only will you have the chance to play with all these great players, there are also many prizes to be won. To remind you, the prize pot will be divided as follows:

- Gold Winner £2400, Gold Runner-up £1200, Gold Losing Semi-finalists £300 each
- Silver Winner £600, Silver Runner-up £300
- Bronze Winner £180, Bronze Runner-up £90
- Plate Winner £60, Plate Runner-up £45

So everyone is sure to have some terrific games - and stands a chance of winning a big cash prize

And finally, to speed up and simplify the application process, we have decided that teams will be selected on a FIRST COME, FIRST SERVED BASIS. We are already half way there so hurry up and GET YOUR APPLICATIONS IN NOW!
