

*“The Nottingham Open”
Saturday 4th July 2015
A Pairs competition for the unique
Emblem Trophy*

The Emblem Trophy is a blown crystal glass 200mm sphere which matches our emblem shown to the left of the Club's logo above. Handmade by three local Nottingham craftsmen, the sphere has been mounted on a rough piece of Sherwood Forest timber which in combination depicts a landing thrown boule. This totally unique piece of artwork will be the annual trophy with the winners' names being added year upon year.

Our objective is to make this event totally inclusive for all ability players and for it to be fun to be a part of. Competitive yes, but aimed at club level when everyone will be encouraged to take part, including Juniors. There will be prizes for the top finishers, Gold, Silver & Bronze awards, an award for the top Junior, plus awards for the team unfortunate enough to come last or the first to be Fanny'd during the competition. Something for everyone!

Entries must be received by Tuesday 30th June

Tel: 0115-9620413
